As you may know, the Australian Prospectors and Miners Hall of Fame has been chosen as the national site for the Australia Day Dawn Service on January 23. 'Kalgoorlie Dawn' is open to the public. We would love to see you there.

The dawn service will be opened at 5am by Lisa Curry-Kenny, Chairman of the National Australia Day Council. This will be followed with a welcome by a local Elder as well as speeches by Australia's Governor-General, Michael Jeffery, and 2005 Young Australian of the Year Khao Do. Also appearing will be Noni Hazelhurst as MC, James Blundell, Casey Donovan, Goldfields poet Victor Dale and young Kalgoorlie resident Cassandra Brennan.

The service will end at around 5.45am and will be followed by a BBQ breakfast.

There will be a live cross of the event on Channel 7's Sunrise programme on January 23. There will also be representatives from the other stations and newspapers so coverage of the event will be extensive. Screening on January 25 will be a live Australia Day presentation from Canberra. Throughout this presentation, segments from the dawn service will be broadcast.
